RE: Application of Advance Relocation and Storage Systems, Incorporated for a Class E (Household Goods) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier
Docket No. 2019-67-T

Dear Ms. Boyd:

By this letter, the South Carolina Office of Regulatory Staff ("ORS") hereby notifies the Public Service Commission of South Carolina that ORS has reviewed the proposed Tariff and the Bill of Lading (both entered into the record of the hearing in this docket as Hearing Exhibit 2) of Advance Relocation and Storage Systems, Incorporated ("Applicant") and has no objections. The Applicant intends to join the South Carolina Tariff Bureau (Bureau). Should the Applicant be granted a Certificate of Public Convenience and Necessity ("CPCN"), ORS will ensure that the Tariff Agreement and Limited Power of Attorney reflecting Applicant's agreement with the Bureau has been filed in this docket before issuing the Applicant's CPCN.

Thank you for your consideration and please do not hesitate to contact me if you have any concerns regarding the matter above.

Sincerely,

Jenny R. Pittman
